10<sup>th</sup>

BOZNER SYMPOSIUM  
OF PLASTIC SURGERY

The Bozner Symposium of Plastic Surgery, now in its 10<sup>th</sup> edition, continues to be a distinguished platform for knowledge exchange and innovation in the field of plastic, aesthetic, and reconstructive surgery. Renowned experts from across the globe will convene to share insights, present advancements, and discuss complex surgical strategies.

This year's event offers a two-day program dedicated to both non-breast and breast topics, fostering comprehensive discussions on facial, nasal, body, and breast surgical procedures. The symposium will feature cutting-edge lectures, technical pearls, and case presentations led by an esteemed faculty of international specialists.

Through collaborative sessions and dynamic discussions, the 10th Bozner Symposium aims to enhance participants' surgical knowledge, inspire new techniques, and contribute to the ongoing advancement of plastic surgery practices.

# Friday

## March 28, 2025

13.30 Participants registration

14.00 Welcome address  
and presentation of training objectives

L. Larcher

### Advances in Aesthetic Rhinoplasty

Chairpersons: L. Larcher, D. Stavrou

14.10 Closed approach in rhinoplasty is back

G. Botti

14.30 My way for preservation nasal surgery

S. Ascione

14.50 Questions & Answers

Discussants: L. Larcher, D. Stavrou

### Advances in Body Contouring

Chairpersons: A. Bruno, P. Vittorini

15.00 HD Lipo Definition – The Colombian way

H. Uribe Morelli

15.20 Modern gluteus surgery with biconvex  
prosthesis and xpine definition

A. Amoroso

15.40 3D Gluteoplasty using fat prosthesis

P. Vittorini

16.00 Chest-wall contouring in trans-AFAB patients:  
practical approach and review of my 560 cases

G. Lo Russo

16.20 Questions & Answers

Discussants: A. Bruno, P. Vittorini

16.40 Coffee break

Friday  
March 28, 2025

Advances in Facial Plastic Surgery

Chairpersons: A. Innocenti, C. Stan

- |       |  |              |
|-------|--|--------------|
| 17.00 | Surgical anatomy of the face   | G. Botti     |
| 17.20 | Minimal invasive facial surgeries progressive tunnelling and percutaneous contour lift | C. Stan      |
| 17.40 | The role of Reidy Adamson flap in the lower eyelid blepharoplasty                      | A. Innocenti |
| 18.00 | Questions & Answers  |              |
|       | Discussants: A. Innocenti, C. Stan   |              |
| 18.20 | Closing of the first day of the Symposium  |              |

## March 29, 2025

08.40 Follow-up of the first day of the course

L. Larcher

### Breast Topics – Part 1

Chairpersons: E.M. Buccheri, P. Mallucci

### Refining Breast Surgery Techniques

09.00 Subfacial vs Dual-plane: which is when?

D. Stavrou

09.20 Questions & Answers

Discussants: E.M. Buccheri, P. Mallucci

### Challenging Breast Cases

09.30 Advanced smooth implants:  
stabilizing the lower pole

D. Stavrou

09.50 Structural mastopexy:  
volume displacement in breast reshaping

A. Innocenti

10.10 Augmentation mastopexy:  
a challenging procedure

A. Bruno

10.30 Questions & Answers

Discussants: E.M. Buccheri, P. Mallucci

10.50 Coffee break

# Saturday

## March 29, 2025

### Breast Topics – Part 2

Chairpersons: **M. Riccio, H. Uribe Morelli**

#### Innovations in Breast Augmentation

- 11.10 Super Minimal Incision Breast Augmentation **H. Uribe Morelli**
- 11.30 Bridging the Gap: Evolving from Breast Reconstruction to Aesthetic Breast Surgery **L. Larcher**
- 11.50 Tissue preservation in breast surgeries **C. Stan**
- 12.10 Breast augmentation today - time for a change of plane **P. Mallucci**
- 12.30 Total Breast Reconstruction: a new paradigm **M. Riccio**
- 12.50 Questions & Answers  
Discussants: **M. Riccio, H. Uribe Morelli**
- 13.15 Lunch Break

**10<sup>th</sup>**

# General information

## Informations for congress registration

### Attendance

Attendance is guaranteed until all available spots are filled.

Pre-registration is mandatory and it can only be completed online at the following link: [www.clustersrl.it](http://www.clustersrl.it) by **March 25, 2025**.

### Access instructions

If you are already registered on the Cluster platform, personal credentials can be used to log in.

If you are not registered, a new account must be created by selecting the "Create a New Individual User" option. This will generate a username and password, which can also be used for any future event registrations on Cluster.

## Registration fees

- Consultant Surgeons over 35 years old € 390,00 + VAT 22%
- Consultant Surgeons under 35 years old € 290,00 + VAT 22%
- Residents Surgeons € 290,00 + VAT 22%  
(To access the reduced fee, please attach a certification of enrollment from the Specialization School signed by the Director of the school)

## Payment instructions

The registration fee must be paid only by credit card (VISA or MASTERCARD) online at the end of the registration process.

Upon receipt of the payment, Cluster will issue and send the electronic invoice.

Please ensure all billing information is filled out accurately.

# General information

## Please note

Registration requests submitted through other channels (email, phone, fax, etc.) or without the completed payment will not be accepted.

## Registration fee includes

- Congress session
- Certificate of attendance
- 2 coffee breaks
- 1 buffet lunch

## Registration fee does not include

- Travel and accommodation expenses
- Catering services other than those mentioned in "Registration Fee Includes"
- Any other expenses not specified in the "Registration Fee Includes"

## Venue

Hotel Four Points by Sheraton Bolzano  
Via Bruno Buozzi, 35 - 39100 Bolzano, Italy

**10<sup>th</sup>**  
BOZNER SYMPOSIUM  
OF PLASTIC SURGERY

# General information

## Italian CME (continuing medical education) course details

The course is limited to a maximum of **100 italian consultants** in Aesthetic Medicine, General Surgery, Maxillo-facial Surgery, Otorhinolaryngology, Plastic and Reconstructive Surgery, Gynecology and Obstetrics.

**CME Provider:** Cluster S.r.l. - ID 345

**CME training objective:** Training Objective (Technical-professional training objective - N° 18)

Technical-professional content (knowledge and skills) specific to each profession, each specialization, and each ultra-specialized activity.

**CME project n. 345 - 445087**      **Assigned CME credits:** 11 (Eleven)

### Please note

CME credits will be awarded only if the following conditions are met:

- Full participation in the entire training program
- Successful completion of the learning assessment (a passing score requires 75% correct answers)

Please ensure you meet both requirements to receive your credits.
